

## **i-Tree Overview Assignment**

Please take a few minutes to tell us about you and your community challenges by completing a short survey. You can be as general or specific as you like. Just be sure to put some careful thought into your responses.

1. What are the challenges and opportunities facing my city, county, neighborhood, state?
2. What resources do we have? Existing street tree inventory, park tree inventory, canopy, and/or Urban Tree Canopy assessments? Other?
3. Who are my potential partners or collaborators? Internal or external, non-profits, university, public gardens, corporations, volunteer groups, faith based, etc.
4. What type of information could be most valuable to help?
